PRESS RELEASE

RE:	Sheriff Hires New Services Technician
DATE:	January 7, 2008

Contact: Michele Wallace, Public Information Officer (530) 406-5163

The Yolo County Sheriff's Department welcomes Patricia "Pattie" Nix as a new Sheriff's Services Technician. She will be working in the Leinberger Detention Center, assigned to their Work Program for inmates.

"There are strict guidelines for the program. When these are met, the Sheriff's Inmate Work Program is beneficial to both the inmate and the community. It allows the inmate to work for the Probation Department instead of serving time in jail." stated Sheriff Prieto.

Mrs. Nix worked at the Yolo County Court System for eight years prior to obtaining employment with the Sheriff's Department. Her most recent position was in the Appeals Section as a Legal Process Clerk.

She lives in Woodland with her husband Trey and their son, Tony, who is a sophomore at Woodland High School. Their daughter, Kristie, attends Monterey Bay State University.
