Press Release

Subject: Sci-Tech Bus Incident

Contact: Sgt. Matthew Davis (530) 668-5280

Date: December 18, 2017

Deputies responded to the Sci-Tech Academy in Knights Landing after students were exposed to coolant while riding the bus to school.

On December 18, 2017, shortly after 9:30 am, Deputies were advised of a coolant leak on a school bus and responded to assist. Upon arrival, it was determined that eleven of the approximately eighty students on the bus were experiencing possible signs of exposure. Three students were transported from the scene for medical treatment and/or observation.

The incident was determined to have been caused by a ruptured hose that allowed coolant to enter the passenger area of the bus.
