Today marks Sheriff Ed Prieto's 50th year as a dedicated public servant and crime fighter in the State of California. Each one of these programs is designed to best reach deeply into our communities and address important issues facing the citizens of Yolo County.

Under his leadership, the Sheriff's Office has become a progressive, modern organization. Patrol vehicles are now equipped with mobile data computers and high-definition dash cameras to enhance officer safety and safety in our communities. All departmental personnel receive ongoing, up-to-date training in order to understand and utilize the best practices for their respective assignments. Sheriff Prieto has also issued the most contemporary policy manual available to law enforcement designed to meet the needs of the constantly changing laws of the state.
