

Yolo County Animal Services

Wish List

1. **Adopt a Shelter Animal, of course!**

2. **Liquid Laundry Detergent**—the brand doesn't matter. We do over 250 pounds of laundry a day, and do even more in the winter—that's a lot of soap! A 64 oz. bottle lasts us about a week. Trust us when we say we always need more.

3. **Towels**—any size, brand, design, or color. We use these to line kennels, clean, keep animals warm, give dogs baths, and occasionally even to make beds. If you're in the market for new towels, please give us your old ones!

4. **Sheets and Blankets**—especially fleece ones. These make very comfy beds for our dogs, especially during the winter. They also make good photo backdrops!

5. **Flea Control**—Advantage or Frontline. If you get the size for extra-large dogs (same price as for small dog), we can portion it out to cover both dogs and cats!

6. **Kong and Nylabone toys**—especially ones for large, strong chewers. These help shelter dogs vent some stress!

7. **Ping Pong balls**—our cats adore these, and they're easy to clean.

8. **Dog Shampoo**—our volunteers like to give our dogs regular baths, but this means we need lots of shampoo! Brand doesn't matter here either.

9. **Monetary donations**—we can always put funds to good use. You can specify where you would like your contribution to go
