## Press Release

**Subject: Community Policing Program**

**Contact: Sgt. Matthew Davis (530) 668-5280**

**Date: December 4, 2017**

Sheriff Prieto is pleased to announce a new program that is allowing the Yolo County Sheriff's Office to strengthen and reinforce ties with the community. With additional funding approved by the Board of Supervisors, deputies are now being assigned to supplement patrol with an emphasis on Community Oriented Policing.

Community Oriented Policing is about recognizing the Sheriff's Office cannot solve every public safety problem alone and taking a proactive approach to build partnerships with the citizens we serve. Sheriff Prieto recognizes the importance of interactive community partnerships adding, "Through these relationships we are able to work on solving the crimes the communities are most concerned about."

On September 26, 2017, the Board of Supervisors provided the Sheriff's Office with \$90,000 to fund a program with the specific goal of increasing the presence of Sheriff's Deputies in the rural areas of Yolo County. Deputies working this assignment are not assigned a beat and are being directed to focus their attention on developing community contacts. With the additional opportunities to interact with the community, Deputies will be looking to discuss issues and work toward solutions.
